BOSTON MAN BREAKS ARM

BIG CROWD SEES SOME OF BEST SPORT EVER HELD ON COAST.

Mechanics Pavilion, San Francisco, April 6.—The national amateur championship boxing tournament which has been under way at the Mechanics pavilion for three successive nights under the auspices of the Olympic club, was concluded this evening, when the semi-finals and finals of the various classes were decided. Seven bouts of the highest order were pulled off, and seldom has such enthusiasm been witnessed at a local ringside as that displayed during the progress of these events. The attendance tonight was the largest of the meeting. A majority of the contests were so even that it was necessary to order an extra round to determine the winner. The most remarkable feature in connection with the tournament was the fact that the Olympic club of this city swept the entire card. There was a wide difference of opinion over the result of the 105-pound championship class as the contest was so evenly fought that an extra round was looked for.

H. L. McKinnon of the Boston Athletic club, who was regarded as an almost sure winner in the welter-weight class, was unfortunate in that he broke his arm in the semi-final and could not compete in the final, which went to S. W. McDonald of the Olympic club.

Following is a list of the names of the winners in the respective classes:

- 105-pound (bantam) class—Fimmy Carroll, Olympic club.
- 115-pound class (feather-weight)—Harry Baker, Olympic club.
- 125-pound class (special)—William Leonard, Olympic club.
- 135-pound class (light-weight)—Lew Powell, Olympic club.
- 145-pound class (welter-weight)—W. McDonald, Olympic club.
- 155-pound class (middle-weight)—Henry Fleneke, Olympic club.
- 165-pound class (light-heavy-weight)—"Tad" Riordan, Olympic club.
- Heavy-weight class—Walter Schulken, Olympic club.

Chinese No Longer Discriminate Against American Goods.

San Francisco, April 6.—The Bulletin today says: The boycott on American goods in the Orient is practically broken. Returning tourists, business men and Chinese who arrived today on the liner America say that it is only a matter of time when the discrimination against wares from this country will entirely disappear.

A. S. Lambert has just established a mint for the imperial Chinese government in Ho Nan province, in the very heart of the empire. He says there is positively no discrimination against American goods in that province or any of the other small places that he visited.

Chan Ki Leung, a silk merchant from China, where the trouble started, said: "In Canton there are as many as twenty Chinese firms which are handling American goods and they are finding many buyers."

ACTRESS KILLS HERSELF.

New York, April 6.—Delphine Love, an actress, who said that she was the daughter of the late Dr. I. N. PEACE AND QUIET REIGNS

Nearly All the Miners in Pennsylvania Bituminous Fields at Work.

Pittsburg, April 6.—Absolute peace and quiet reigns in the bituminous coal fields today where yesterday the miners showed an ugly disposition and refused to work. The general feeling of satisfaction is attributed to the arrival of delegates from the district convention who yesterday adjourned and returned to their homes and explained the situation to the miners who hesitated to return to work. All danger of further trouble is thought to be over and by Monday it is asserted every mine will be in full operation.

Only Four Idle.

The Pittsburg Coal company today reported that of the eighteen mines operated by the Pittsburg Coal company, the Monongahela River Consolidated Coal & Coke company and the New York & Cleveland Base Coal company, but four were idle. One of these was undergoing repairs. Chairman F. L. Robbins of the Pittsburg Coal company said:

"About 30,000 men are at work, and not more than 2,000 employed in our collieries are idle. They will probably resume in a few days. Yesterday we had twenty mines idle."

Dolan Has the Books.

Patrick Dolan and Uriah Bellingham, the deposed president and vice president of the Mine Workers' district organization, were in possession of the headquarters and records today. Frank Feehan, the newly elected president, met with the executive board today to advise as to the legal steps to take to recover possession of the headquarters, but no conclusion has yet been reached.
